Re: Submittal of the NSPS 40 CFR 60 Subpart OOOOa Well Completion Notification for the West Escavada 302H Well

Dear EPA Region 6 Director,

This letter and the accompanying material is a notification of the expected date for well completion activity for the West Escavada 302H well as required by NSPS 40 CFR 60 Subpart OOOOa. The site is owned and operated by Enduring Resources, LLC.

Per §60.5420a(2)(i), "If you own or operate a well affected facility, you must submit a notification to the Administrator no later than 2 days prior to the commencement of each well completion operation..." The anticipated commencement date of the well completion operation is **October 1, 2018**.

NSPS 40 CFR 60 Subpart OOOOa specifies a notification requirement to include "contact information for the owner or operator; the API well number, the latitude and longitude coordinates for each well in decimal degrees to an accuracy and precision of five (5) decimals of a degree using the North American Datum of 1983; and the planned date of the beginning of flowback." per §60.5420(2)(i), including the information listed in Table 1 below.
